GrammarBox English Hub is a place where all kinds of people flock in to learn English with much élan, and grace. We at GrammarBox English Hub cater to all aspects of Training that include -

- Spoken English
- Soft Skills
- Presentation Skills
- Personality Development
- Behavioral Training
- Interview Handling Techniques
- Time Management
- Stress Management
- Telephone Etiquette
- Email Etiquette

Objective of the Training:

To be successful at one's workplace it is needful for young, prospective job seekers to require the skills to speak and write in an effective and intelligible manner. Competence in written and oral presentations and the ability to work with others are the main factors contributing to the success in one's career. The current training program envisages the preparation of students to equip them to climb the corporate ladder. 15

Soft Skills:

Soft skills complement a professional's hard skills. Interpersonal skills, communication skills, time-management, integrity, common sense, empathy, social skills, and teamwork are 'soft skills' that all organizations require of their employees these days.

Communication Skills

It's no secret that great communication skills can help one succeed in any field. After all, man is a social animal and the ability to communicate with other people is one of the key skills that every successful person needs.

Presentation Skills

In the modern workplace, all of us have to give presentations - the key difference is between those who give good presentations and succeed, and those who do not. We at GrammarBox English Hub help our students to improve their presentation skills through a variety of novel training techniques.

Personality Development

Self-knowledge is the key to personality development:

- To be passionate about one's career
- To recognize one's weakness and strengths

Belief system is very important to enhance the Personality.

- What kind of beliefs are you holding about yourself and the work you do?
- Creating a positive belief system.

GRAMMAR BOX ENGLISH HUB

Building holistic vision is required in Personality Development.

- Vision for intellectual growth, finances, health, relationships, spiritual, and social contribution.

Success formula for Personality Development.

- The power of strong intent, just not enough to create intent but live it and build it.
- How effort should lead to growth.

Handling negative emotions.

- One should handle negative emotions and try and convert these emotions to achieve positive results.

Preparation for the external world

- Self grooming. (Dressing up for different occasions', carrying oneself with confidence, social etiquette, body language, etc)
- Effective communication skills.
