Objectives of the Policy

- ❖ To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- ❖ To protect and conserve ecological systems and resources within the campus by working with all stakeholders and local community
- ❖ To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- ❖ To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- ❖ To make the campus plastic free.
- ❖ To conduct environmental and energy audits from time to time. To minimize the use of paper in administration through having policy for E-governance.

Policy

Nehru College of Management has pledged to actively coordinate cleanliness activities in the college and beyond the campus. The broad vision is as follows:

1. Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives.
2. Staff Members will be encouraged to participate in the cleanliness drive in the college campus.
3. Events such as Rallies, poster and slogan competitions, essay writing, spoken word poetry, speeches, skits related to clean green initiatives to be organised.
4. Remove all kinds of waste material like broken furniture, unusable equipment etc.
5. Administer of the pledge by students and staff members to maintain cleanliness of the college campus and its surrounding areas on an annual basis. 6. Commit to manage waste and maintain clean campus especially during college events.

Landscaping Initiatives

To add beauty to the campus and its surroundings, the environmental club along with students plants saplings at regular intervals during the various programmes organized throughout the year.

Clean Air Initiatives

The college prohibits smoking and the use of other tobacco products in promoting a tobacco free environment in and around the campus. The Discipline committee of the college ensures enforcement of the anti-smoking policy.

Infrastructural Initiatives

The following initiatives are taken

- Renewable Sources of Energy (To Reduce electricity Consumption)
- Energy Saving and Energy Efficient Equipment (Use of LEDS, Energy Efficient Appliances)
- Water Conservation through Rainwater Harvesting System (Practicing rainwater harvesting)

Waste Management Processes

Solid Waste management

Nehru College of Management strives to have a minimal impact on the environment and is dedicated to reduce and manage the waste generated by the college campus. The following specific procedures are to be undertaken :

- ✓ Follow the 3Rs of environment friendliness (Reduce, Reuse and Recycle).
- ✓ Collect paper waste produced on campus and collaborate with scrap dealers for recycling.
- ✓ Prefer Green environment by using ICT.
- ✓ Organizing workshops for students on solid waste management.

Liquid Waste Management

- ✓ Maintain leak proof water fixtures.
- ✓ Continuously Monitor and take action with a dedicated person to take immediate steps to stop any water leakage through taps, pipes, tanks, toilet flush etc.

E-Waste Management

Nehru College of Management plans and strives towards handling e-waste not to impact the environment.

- ✓ More provisions for the disposal of the institutional e-waste.
- ✓ Collaboration with e-waste recycling companies to get electronic waste recycled.
- ✓ Awareness amongst students about reduction of e-waste and environment friendly disposal practices for e-waste.

Awareness Initiatives

Nehru College of Management supports and encourages awareness campaigns, seminars, workshops, conferences and other interactive sessions to facilitate effective implementation of the Green Campus, Energy and Environment policies. The awareness initiatives are taken care by the environment club and other supporting clubs in moulding the students into active agents of environment protection and conservation.

Green Audit and Energy Audit

The above audits to be conducted as and when required to further reduce and enhance energy efficiency in the campus. An inspection often reveals several different flaws which cause a loss of significant amounts of energy which the college will not be able to detect. These flaws often have easy and affordable solutions and provide significant savings

Plastic Free Campus

The College plans to organize various events to create awareness and prevent use of plastics inside the campus. It also encourages to use jute bags. The college ensures to its maximum to maintain a plastic free campus.
