CHAKRAVARTHY, Manager - HR, PHA Automotive, Chennai
Content in the learning from each games by the facilitators was consistently high quality and engaging. Most importantly, each activity provided an excellent review of the challenges in our life. I feel that all the rope and ground activities were extremely good. At no point did I feel that the training was "long" or "dragging on". Even after breaks/lunch, I felt that there was a lot of energy and enthusiasm. It is great to have NOBLE facilitators with so much energy. I felt challenged and consistently drawn into the activities and learning had my full attention due to the way in which they were conducted. Thanks a lot!!

TEJASVI LIGADE, HR, AIR Works, Mumbai

Late P. K. DAS

Founder Chairman

Whenever we hear the name Nehru Group of Institutions, immediately the name of our Chairman late P.K.Das comes to our mind. Our Chairman's name is synonyms with Nehru Colleges, which stands as Hall Mark of Quality in the field of Higher Education. Starting from scratch in 1968, this great leader spent each ounce of his energy and sweat to establish 20 prestigious institutions in Tamil Nadu and Kerala. Through his hard toil, sweat, firm determination and strict self discipline, he established Nehru College of Aeronautics and Applied Sciences at Kuniamuthur, Coimbatore in 1968. Besides this college, he established four engineering colleges, one Arts & Science college, one Pharmacy College, one Aviation Institute and one Super Speciality Hospital and four Management Colleges in Tamil Nadu and Kerala. He was hardly 29 years of age in 1968, when he started his career as Academician at Coimbatore.

The meteoric rise of this great personality in the field of technical and higher education was phenomenal and great. A humble beginning was made. Despite innumerable difficulties and insurmountable obstacles he had to face with, he didn't budge an inch, but forged ahead with firm determination and iron will, to accomplish success after success. Year after year, he was reaping rich dividends and accolades. Though he left us in 2009 June, he has groomed his sons Adv. Dr. P.Krishnadas, the present Managing Trustee and Dr.P.Krishnakumar,CEO & Secretary to successful academicians and administrators. They have taken over the reins of administration of these institutions in an admirable manner.

Dr. P. KRISHNADAS

Chairman & Managing Trustee

I am extremely happy to be associated with NOBLE. When the idea of setting up NOBLE was proposed I had my own value additions. My vision for NOBLE was to connect with the corporate to enhance the quality of training given to corporate and to the academic fraternity. Today NOBLE is a reality and has lived up to my expectations. NOBLE again is the part of NGI's commitment to provide high quality training at affordable cost. I wish NOBLE a grand success in the years to come.

Dr. P. KRISHNAKUMAR

CEO & Secretary, Former Syndicate member Bharathiar University

I am glad to be a part of NOBLE. NOBLE has metamorphosed from a dream to a reality. My father founder chairman late Shri PK Das had a long term vision of connecting to corporate and contributing to their success and NOBLE has made it a real possibility. NOBLE is one of my favourite project hence I have been involved personally in every stage of it. The kind of activities at NOBLE from low ropes to fire walk and to Zip line has lot of psychological input and I have been a testimony for the transformation that people undergo. I wish the team behind NOBLE a great success.
